Terms and Conditions

Effective from 25 November 2015

Save Together Summary*

Save Together is a benefit of the HSBC Advance Bank Account and will no longer be available from **11 December 2015**. However, if you make or have made an eligible payment into your HSBC Loyalty Cash ISA before this date, you will continue to take advantage of Save Together until the end of the 12 month offer term.

This document summarises Save Together. You should read it carefully. This, together with the other documents referred to in the Save Together Terms and Conditions will form the basis of the contract between you and us.

Eligibility Requirements

- Available to HSBC Advance customers only. You must remain an HSBC Advance customer for the full Save Together term of 12 months from the calendar month of your first eligible payment.
- You must have an HSBC Loyalty Cash ISA for the full Save Together term of 12 months from the date of your first eligible payment.
You must either:
 - make a single payment of £25 or more per month into your HSBC Loyalty Cash ISA; or
 - make one lump sum payment of £300 or more into your HSBC Loyalty Cash ISA;
- From **25 November 2015**, eligible payments can not include internal transfers from another HSBC Cash ISA.

Summary

With Save Together there are two alternative ways you can make eligible payments:

- make a single payment of £25 or more into your HSBC Loyalty Cash ISA then, for every month you do so within the following 12 months, we'll make an additional interest payment of £10 (up to a maximum of 12 payments) into your HSBC Loyalty Cash ISA; or
- make one lump sum payment of £300 or more into your HSBC Loyalty Cash ISA and we'll make an additional interest payment of £10 for the month you do so and for each of the following 11 months into your HSBC Loyalty Cash ISA.

If you make a combination of single and lump sum payments you will only receive up to a maximum of 12 additional interest payments of £10.

If you are eligible, Save Together will be activated automatically as soon as you make an eligible payment (as described above).

Our additional interest payments will not count towards your annual ISA allowance.

You can only benefit from Save Together once.

Please note: If after activating Save Together you no longer hold an HSBC Advance Bank Account or HSBC Loyalty Cash ISA, you will cease to be eligible for Save Together and future additional interest payments will end.

For more information and additional interest payment dates, please refer to the Save Together Terms and Conditions.
